

MONITOR DENVER

PRODUCT ID: 10060301

Product ID: 10060301

Color: BLACK

Name: MONITOR DENVER

Sizes: 36 - 47

Safety classification: EN ISO 20345:2011 S3 SRC

Fit: Wide

Toecap: Steel

Penetration protection: Steel

Upper: PU-coated leather

Outsole: Dual-density PU

Insole: SSCC memory foam

Waterproof: No

Adapted for: Building, construction and tougher work

Product benefits:

A good and basic safety shoe to a very competitive price. The shoe is made in a pu-split upper with a moisture absorbing textile lining and has a 2 density Polyurethane outsole with good cushion. It also has a soft padded bellows tongue.
